Tournament Format
 The scramble is the primary format for this tournament. This scramble is played with four-person teams. In the scramble, each player tees off on each hole. The best of the tee shots is selected, and all players play their second shots from that spot. The better of the second shots is determined, and then all play their third shots from that spot, and so on until the ball is holed.

Your score will be put down as a single for your complete team. We are assured that each team will put down the actual number played. There are mulligan's to be purchased at the registration desk prior to the start of the tournament.
